COLOUR FESTIVAL

On Friday 6 September we have a colour festival at school. Everyone is very excited about this! The cost is R20. Additional packets of powder paint will also be on sale for R20 for four bags or R5 per bag. Everyone should please wear their oldest clothes (preferably white, or as light as possible) to get the maximum effect. Please do not buy clothes, rather use what you have. The powder paint can cause stains and therefore rather use old clothes. We will inform all the learners ahead of time about the safety issues and that they should not throw powder directly to the

face. Your child can wear any sunglasses or goggles they have for extra protection. Thank you for your cooperation and support! It promises to be great fun!

You must complete the attached reply slip to give permission for your child to participate. Learners who don't want to participate can sit on the pavilion and watch. We have sponsors for children whose parents can't pay for it. Please write an email to hoof@daniemalan.co.za or send a letter to the principal to request that your child's colour fest money must be paid. We will make the necessary arrangements. It will be handled with the greatest confidentiality.

WATER FUN DAY

There will be 17 different play stations so there will be something for everyone! Pay at your register teacher before or on 16 September. The school will still come out at 11:00.

RAFFLE TICKETS

This project replaces our annual Golf Day.

Tickets cost R10 per ticket. There are ten tickets in a booklet.

A full book costs R100.

Learners who bring back a completed book and R100 will receive a packet of chips.

Participants who purchase tickets can win the following prizes:

- 1st prize R4 000
- 2nd prize R2 500
- 3rd prize R2 000
- 4th prize R1 000
- 5th prize R500

Learners will receive a R500 prize if they sell the most tickets per grade but they must sell at least 10 books.

In addition, the learner (regardless of what grade), who sells the most books wins a Tablet or R2000, but the learner must have sold 10 books or more.

Learners will receive raffle books if they want to sell a book.

We would appreciate it if each learner could sell one book.

There is a fine of R100 payable for each booklet lost. Parents must send a sworn statement from the police if this happens.

Parents must indicate on the book for which activity the funds must go to. Only one activity per book may be chosen.
